

## Wheelchair Accessible/Elevator Directions from UCLA Parking Lot 8 to the CNSI Building

- Enter the UCLA campus on Westwood Boulevard and proceed to the entrance to Lot 8 (on your left). Drive up the ramp/entrance into Parking Structure 8. When you reach the top/roof level, you will see some parking attendants. Let them know that you are here to attend the MMW Conference, and you will be able to purchase a day parking permit for \$12.
- After you have parked in Lot 8, exit the parking structure onto Westwood Boulevard and cross over Westwood Boulevard at Structure 8 Dwy.
- Once on the other side of the street, turn left and walk north, toward campus. You will pass Parking Lot 9 on your right and an information kiosk on your left.
- Still following the sidewalk, make a slight right just past Lot 9, at the yellow fire hydrant.
- Follow the path up the three stairs (or use the ramp just north of the stairs) and turn right into Parking Lot 9. You are now on Level 3 of Parking Lot/Structure 9.
- Take the green elevators (located to your right) to the 6<sup>th</sup> floor.
- When you exit the elevators, you will be on the roof of Lot 9.
- Turn left and walk east (away from Westwood Boulevard) toward the CNSI Building (the building with lots of intersecting and suspended ramps).
- At the far end of the roof, follow the gray metal bridge on your left.
- At the end of the bridge, make a slight right to continue on the path. The CNSI Building will be on your right. Turn right at the front of the building.
- The entrance to CNSI is just past the curved red stone structure on the building.
